without examining where he
comes from, where he is
going, and why he exists.

- 1** Take a realistic look at your family history. In what ways do you want to be a transitional figure? In what ways do you want to carry on the legacy?
- 2** 2. Identify the man you want to be—not objective things you want to achieve, but who you want to be.
- 3** 3. Put your relationship with your Heavenly Father into your own words.
- 4** Take a few weeks, pray, ponder, and reflect on what you've written. Edit it until you're satisfied.
- 5** Write it up and put it on the wall! read it every day, then go live it out.
